

Your HMAA Membership Just Got Better!

Great News! HMAA has formed an affiliation with Ceridian to offer you up to a \$500 discount on set up fees for payroll and tax filing services.

Ceridian's Web-based payroll and Human Resource solutions eliminate the need to purchase and maintain costly hardware and software, and gives you 24/7 access to your current payroll data. Fully compliant tax services include federal, state and local deposits, filing and reconciliation reports. Have peace of mind and focus on what really matters – your business!

Ceridian is a leading human resources and payroll multinational company that provides services to more than 130,000 companies, serving over 25 million employees worldwide. Ceridian solutions help employers control costs, save time, optimize their workforce and mitigate risk. Ceridian Hawaii has been serving businesses for more than 46 years.

This offer is available to groups that do not currently use Ceridian services.

For more information about Ceridian Services, please contact your HMAA representative.
