H&R Block is excited to offer \$20 off tax preparation to HMAA members and Ceridian clients as part of our new relationship with HMAA and Ceridian. Our trained tax professionals are available to provide the following products and services:

### Tax Preparation

- ✓ Free 1040EZ through February 29, 2012
- ✓ Federal & State tax preparation

### Block Live

- ✓ Block Live is a full tax preparation service that is accessed online and is an addition to our current portfolio of products.
- ✓ The clients can work with their tax professional from home with a digital video-conferencing technology. They can see and hear their tax professional just like they are interacting with them in the office, but from the comfort of their own home. Or if the clients prefer, they can work with their tax professional using the phone or through chat.

### Business Services

Business Services is a program where over 1,400 H&R Block tax offices offer additional services to small businesses year-round. Of these, over 200 are in company locations. Services include:

- ✓ Bookkeeping
- ✓ Payroll
- ✓ Financial Reporting
- ✓ Budgeting
- ✓ Business Advisory Services

### FREE Second Look

With Second Look, we will conduct a professional review of the client's non-Block prepared current-year tax return and the previous three years' tax returns, filed or not.

- ✓ We will look for missed deductions and certify that the original return is accurate – or help the client amend to get it right.
- ✓ The review will be covered by the H&R Block Guarantee, and we will provide audit assistance if the IRS audits the client.
