USPSTF Recommended	None	Not Covered	Not Covered

% = Coinsurance (Percentage based on eligible charge) | $ = Copayment (Fixed dollar amount)

Out-of-Pocket Maximum. The maximum out-of-pocket deductible, copayment, and coinsurance amounts you pay in a calendar year for Prescription Drugs and Supplies vary when combined with a Medical Plan as follows.

- Comprehensive Basic: $5,150 per person and $8,300 per family
- Comprehensive Plus: $5,150 per person and $8,300 per family
- Option Plus Two: $4,650 per person and $6,800 per family
- Option Plus One: $6,550 per person and $12,500 per family

Note: If you go to a non-participating mail-order pharmacy, no coverage is provided. If you go to a non-participating retail or specialty pharmacy, you must pay the total amount up front and submit a claim to HMAA. HMAA will reimburse you based on the in-network negotiated price minus applicable copayments and coinsurance. You will be responsible for any remaining balance over the eligible charge up to the full billed amount. All prescriptions of $500 or more, and all compounded medications, require precertification.
