Monthly premium rider is paid by the Employer, and the Active&Fit member fee is paid by the Eligible Participant. Employer may choose to supplement or reimburse the member fee.

Member fee is due monthly. Membership may be canceled at any time after the initial 2-month commitment. Member’s benefit year is based on the effective date of the **group’s rider coverage** (e.g., Jan. 1 to Dec. 31 if the group’s Active&Fit rider coverage is effective Jan. 1). Your medical plan renewal date may differ. In the event of termination of the group’s Active&Fit Program rider or the Eligible Participant’s HMAA Medical Plan eligibility, the Eligible Participant will no longer receive the Rider Benefits after such termination date. Reinstating an Active&Fit membership thereafter requires re-enrolling in autopay for the Fitness Center Membership monthly fee or Home Fitness annual fee.

The Employer shall be responsible for all coverage notifications to Eligible Participants.

If the Employer elects Employee+Dependent coverage, rider rates are charged to **each** employee based on their medical coverage type (two-party, family, etc.), regardless of whether the employee’s dependents are eligible for the program (i.e., their dependents are under age 18).

## Active&Fit Direct

HMAA also offers the **Active&Fit Direct** Program at \$25 per month plus a \$25 enrollment fee and taxes. This program is not employer-sponsored and does not require an enrollee to be covered by an HMAA medical plan. Please note the list of participating facilities differs from that of the Active&Fit Program Rider.
