

Commercial MedicalRx List

Effective September 2021

Understanding the MedicalRx List

Unless otherwise noted this medical drug list applies to Commercial lines of business.

Drugs on this list may require prior authorization; look for the PA in the notes next to the drug name.

This list is not based upon the terms of your particular benefit plan. Each benefit plan contains its own specific provisions for coverage and exclusions. Not all benefits that are determined to be medically necessary will be covered benefits under the terms of your benefit plan. Check your plan documents.

Absence from this list does not imply non-coverage; drugs in other categories or drug classes may be eligible per the benefit plan.

Unless stated otherwise within the plan documents coverage is predicated on the medication being used within an FDA-approved dosing regimen as stated within the FDA product labeling.

Check your plan documents for benefit coverage information.

Status: P = Preferred NP = Non Preferred C= Covered

Notes: * = OptumRx Premium guidelines apply ** = PA consistent with FDA label
