I certify that the disclosures in this application are true and complete for all medical conditions. I understand that HMAA uses this information for rating purposes and that any claims for benefits related to any undisclosed medical conditions may materially affect HMAA's risk. Between the time I sign this disclosure to the effective date of coverage, if there are changes to, or development of, any medical conditions disclosed or not disclosed, I will immediately disclose those changes in writing to HMAA for rate review. Benefits for any undisclosed conditions known and unreported as of the effective date of coverage may be denied, or coverage may be rescinded or terminated, or premium may increase retroactively or on a forward going basis at the sole discretion of HMAA. I will make full restitution of claims paid if coverage is rescinded due to a material non-disclosure of medical conditions. I understand by providing my email address, I consent to receive communications by this method.

I authorize HMAA to contact the treating physicians or other health care providers or facilities (collectively called "doctors"), or insurance organizations, for myself and any enrolled dependent(s) about any medical conditions, or obtain records (except psychotherapy notes) so that HMAA may underwrite my enrollment in HMAA plans, to ask my/our doctors about medical conditions that are reported on claims from doctors, to respond to treatment plan requests from doctors, and for other normal health plan operations. A photocopy of this authorization shall be valid as the original.

This authorization is effective from the date noted below until all coverage with HMAA for myself and my enrolled dependent(s) ceases, or any (initial) disputes regarding coverage with HMAA are resolved, whichever date is the later. I understand that the information covered by this authorization may be redisclosed subject to the Federal Privacy Regulations. I understand that I may revoke this authorization where HMAA has not acted in reliance upon it by submitting a written request to HMAA at the address listed on this application. My written statement shall specify which parts of this authorization are revoked and the date the revocation is effective.
